Science / R&D

Resource

Resource Automation & Electrical is committed to providing powerful operational solutions and services through highly trained and qualified personnel as well as being in total environmental compliance.

Products

Control Management Systems
- PLC's
- RTU's
- EFM's

SCADA Hosting
- Real-Time Data
- Control
- Optimization
- Trending
- Alarming
- Reporting

HMI
- Touch Screens
- Key Pads
- PC/ HMI

Miscellaneous
- Cabling
- Wire
- Valves
- Conduit
- Filters/ Dryers
- Tubing & Fittings
- Regulators

Measurement
- Flow Transmitters (multi-variable)
- Level Transmitters (solid/liquid)
- Pressure Transmitters
- Temperature Transmitters
- Valve Manifolds

Analyzers
- Oxygen Analyzers
- H2S Analyzers
- Moisture Analyzers
- LEL Analyzers
- Oxygen Sensor Replacements

Industrial Control Panels
- Custom UL Panel Facility
- UL 508A US/Canada (Industrial Panels)
- UL 698A US/Canada (Industrial Panels for Hazardous Areas)

Power
- Solar Panels
- Solar Brackets
- Batteries
- Voltage Regulators
- Surge Protectors
- DC Power Systems

Communication
- Antennas
- Radios
- Coaxial Cables & Supplies
- Surge Suppressors
- Isolators/ Barriers
- Mineral Insulated Cable (MI)

Controls
- Actuators
- Solenoids
- I/P Controllers
- Pressure/ Status Switches
- Control Valves
- Burner Mgmt w/ (Emissions/ Temp)

Services

Calibration
- EFM Calibration
- LEL Calibration
- H2S Calibration
- Oxygen Calibration

Programming
- PLC Design & Programming
- HMI Design & Programming
- SCADA Design & Programming

CAD Services
- 2D/3D Design

Facility Design
- Compressor Facility Controls
- Water/ Wastewater Facility Controls
- Wellsite Facility Controls
- SWD Facility Controls
- Specialized Artificial Lift Services

Electrical
- Licensed Contractor
  (New Mexico, Colorado, Oklahoma, TX)
- Industrial Electrical Installation
- Design, Construction, Maintenance

c UL us LISTED

Total Management Solutions

intellect SCADA SYSTEMS

Distributors for many including the following:

FISHER ROC · SHARP · VEGA · MAGNACABLE MINERAL INSULATED CABLES · Laird TECHNOLOGIES · NOSHOK · FOXBORO · EMERSON · FREEWAVE · Pro-face · ADVANCED TELEMETRICS · TRANSECTOR · PolyPhaser CORPORATION · UFS · Rockwell Automation
